Wrote food safety plans and risk assessments for our facility and our farms. Conducted risk assessments with the team. Prepared for regulatory audits from USDA, Organic, Good Agricultural Practices, FDA and others as required. Organized on the farm food safety training for 20 plus local growers with Rutgers Outreach for continuing grower education.

Previously worked for: Wakefern Food Corp., NJ- Quality Assurance - Product Inspection Dept. for their Perishable Supermarket Distribution Center receiving fresh produce, floral and seafood. Part of a team that helped to write and implement food safety plans mandated by the FDA. Worked with a team performing truck load and rail car inspections per USDA quality specs. Worked with USDA inspectors and their reports giving disposition for receiving products per buying guidelines.

Civic: Helped coordinate Community Food Bank of NJ donations. Assisted Farmers Against Hunger for donations. Assisted local community churches with their requests.

**Reason for seeking election** - Would like to act in a supportive role as a trustee to keep Holiday City Phase 1 viable to continue as a 55 and older community. Would like to work with the board and other member for continues improvements as we face ever changing laws and challenges.

---

**Danielle de Marsche** • My name is Danielle de Marsche. I've lived in this community for 17 years and recently retired working in Oral Surgery, where I assisted the doctor during surgeries. Have traveled and lived half my life in Europe and South Africa. I helped clean up the creek in October 2024, working along side the workers from Stroke Your Eco - Paddle for the Planet.

My hobbies are gardening, cooking, entertaining, kayaking, Tai Chi, Zumba and enjoy doing artwork working in mixed media.

**Reason for seeking election** - I love this community and want to make it better by getting people more involved. I believe I would be a great asset to Holiday City Phase 1.

---

**Luana Fernandez** • I've been a resident of Holiday City Phase 1 for 17 years. I have been on the the Board of Trustees at different times, holding different positions. I was Vice President, Secretary and Treasurer. I loved the positions I held. I am proud of the help I gave to any resident who needed assistance. I really enjoyed being part of the board and would like to throw my hat into the ring again. I've always been a team player and enjoyed helping out where needed. I believe it is important to listen to our residents, no matter how trivial it may sound to some. Being a board member again, I feel we should be available to help and do it with a smile.

**Reason for seeking election** - I really enjoyed getting to know other residents and be of any help to other residents any way I can. I hope I can count on your vote. Thank you in advance for your consideration.

---

---

**Joseph Koppie •** Hello all! I've been a resident of Holiday City Phase 1 since 2019. Before retiring I was a manager in the entertainment industry. I have managed song writers and producers. My responsibilities were to negotiate contract and choose the right projects for each client. My relationship with major record labels was my track to success. I am still in contact with my clients today.

**Reason for seeking election** - I am running for reelection to continue the good work this board has done. In the past 3 years we have removed the dead trees from the common grounds, completed clean up of the lake area and removed much debris from our stream. I hope I have the opportunity to continue this work with your support. On a closing note, I would like to say thank you to our President Evelyn DeLillo who worked tirelessly for the past 6 years. Her shoes will be hard to fill. Thank you!

---

**Monica McCann •** My name is Monica McCann and I have lived in Holiday City Phase 1 for almost 3 years now. I grew up on Long Island, leaving to pursue my graduate education. With a lot of hard work and perseverance I received my PhD in Behavioral Neuroscience from the University of Pittsburgh in 1988. In 1996, I had a career change and became a medical market researcher at a consulting company in Summit, NJ. Although it was a busy career, I always found time to volunteer, especially with kids as a leader for my church's Youth Group and as a tutor of math for inner city kids. In my retirement years, I am still volunteering currently at the St. Vincent De Paul food pantry at St. Luke's Church in Toms River.

**Reason for seeking election** - When I moved to Holiday City Phase 1, my plan was to get involved in the community right away. So I volunteered in the kitchen at our weekly Bingo and the Recreation Committee. Also, I wanted to contribute to the beautification of our beach so I wrote a grant for funds to build a new gazebo. Volunteering on the HOA board would be a continuation of my goal to be an integral part of this community. Please consider me for a position on our Board of Trustees. Thank you!

---

**John VanNostrand •** I am 59 years old. I worked in the maintenance field for the municipal Housing Authority for 33 years. I ran a budget of 3 million dollars. I moved here 3 years ago, after I retired. It's a nice community, close to the water. I was also on the Bylaw Committee.

**Reason for seeking election** - I think that my experience in my life will help make our community better. I would like to give back to Holiday City Phase 1.

---

**Jim Waldron •** I am a retired Police lieutenant having served from 1982 until 2007. During my tenure with the Police Department, I served in many capacities which included but were not limited to working on operating budgets, supervision of payroll and human resource functions. In addition to my responsibilities within the Police Department I also served on Boards of Organizations such as the Local Policemen's Benevolent Association, Police Athletic League and County Juvenile Officers Association. During my tenure with those boards, I held positions of President, Vice President, Treasurer and Financial Secretary. After retiring from the PD, I worked in non-profit management serving as Chief Financial Officer for ten years, most recently worked as a Realtor and Property Manager. In addition to my professional experiences, I served on the Board of Directors of my Homeowners Association for seven years and held the positions of President and Treasurer.

**Reason for seeking election** - I am seeking re-election to the Board of Trustees to continue working in the best interest of our community as we move forward. I believe that my background and experience have allowed me to effectively contribute to the many challenges our Board faced during my first term. I am committed to serving our community and working collaboratively with board members, staff, volunteers and residents.

# PLEASE

**DO NOT PUT** anything else in the gutters.

**DO NOT THROW** anything in the creek!

If you see someone speak up, take a photo then tell someone in the office.  
All the stuff that goes in the street clogs the sewers. When it rains the streets flood and this is not good.

If everyone throws stuff in the creek it clogs the creek and then water can not flow.  
If you see a sewer filled with branches be kind and remove them.

## RECOGNIZING A STROKE

Thank God for the sense to remember the '3' steps, STR. Read and Learn!

Sometimes symptoms of a stroke are difficult to identify. Unfortunately, the lack of awareness spells disaster. The stroke victim may suffer severe brain damage when people nearby fail to recognize the symptoms of a stroke.

Now doctors say a bystander can recognize a stroke by asking three simple questions:

**Ask the individual to SMILE.**

**Ask the person to TALK and SPEAK A SIMPLE SENTENCE**  
(Coherently) (i.e. Chicken Soup)

**Ask him or her to RAISE BOTH ARMS.**

If he or she has trouble with ANY ONE of these tasks, call emergency number immediately and describe the symptoms to the dispatcher.

**New Sign of a Stroke** ----- Stick out Your Tongue

**NOTE:** Another 'sign' of a stroke is this: Ask the person to 'stick' out his tongue. If the tongue is 'crooked', if it goes to one side or the other that is also an indication of a stroke.
