President's Corner

Summer doesn't officially start until June 20th, but it certainly feels like summer now, and as you won't be reading this until July, I am hoping the weather was beautiful for the pool! We just went through some raining cold days which made the pool opening a disappointment, but now we have hot weather. Can I ask, what happened to spring and fall? We always seem to go right from cold to hot. Do you remember how beautiful autumn use to be with all the vibrant colored leaves? I miss that. And spring! Beautiful sunny 70-degree weather. Oh well.

I hope you are noticing the beautiful flowers and blooming bushes around the clubhouse. Sue Fieger and Leah Procopio planted flowers in front of the clubhouse and the round bed by the driveway flag pole. Sue Fieger even made a new fenced in flower bed with a birdbath along the far side of the building. I purchased beautiful flowers from the plant sale and filled the planters on the side of the clubhouse, and Debbie Polizzano has been planting shrubs and flowers around the bocci court and along the fence of the pool. I am bringing this up to of course thank our wonderful volunteers but also to remind you to look around and appreciate how nice everything looks and know that it takes work to keep things pretty. I bet If you called Sue, she would love help with the weeding!

Believe it or not it is time to think about our community association election which will take place on Monday, August 4, 2025. Obviously, I didn't realize the time or I would have gotten the nomination form in the press last month! To rectify the situation board members and Tina Sylvia (thank you) hand delivered the forms to all residents and extra forms are posted on the bulletin board in the clubhouse. This gives everyone a month to decide if they want to run for the board and get their form in before we have to get the ballots out. Myself, vice president, Cindy Christensen and director of insurance and rentals, Michelle Behrens are up for re-election. All nomination forms and future ballots need to be sent or given to our secretary, Bob Sylvia at 4A Magnolia Rd. I also know that Bob will be happy to pick up your nomination form or ballot if you need help returning the forms. Please do not put nomination forms or ballots in the community mailbox. As a reminder if you would like to run for the board, you are not running for a certain position. The president and vice president are elected by the board in a closed meeting after the votes are counted at the reorganization meeting. The treasurer and secretary are appointed by the board, and the director positions are assigned by the president with feedback from the board.

I thanked Barbara Gaspar last month for donating money for bird seed but failed to spell her name correctly which I apologize for. Now I would like to thank Christine Skinner for her donation for another bag of bird seed and I

hope I spelled her name correctly! Our feathered friends have found our bird feeder and obviously are telling their friends because we are going through a 40lb bag of seed every two weeks. If anyone would like to donate to the cause, the birds and I would appreciate it!

I'm looking for "pooper scooper" volunteers! Debbie Polizzano is inundated with poop at the bocci court, grove parking lot and walkways. People are still not picking up after their dogs which is infuriating as there are several places along the road to pick up poop bags. I also still have people feeding the geese which is more than annoying since I asked it to stop. I am asking the responsible members of Fawn Lakes to be on the lookout for violators of state ordinances to please take a picture of your neighbor in the act. You need to call Stafford twp. at 609-597-1000 ext. 8524 for animal control. I am also asking the condo presidents to help me crack down on this problem by bringing it up at their monthly meetings. If you know who the person is I would appreciate the name as I will write them a letter to ask them to stop. You have every right to confront someone when you see them breaking the law. Hopefully if people confront them regularly, they will get the idea although I am sure they know what they are doing is not allowed and just don't care. If I can get proof and it effects their pocketbook with paying a fine, they may stop. In the meantime, pooper scoopers are needed to help clean up the grove and surrounding areas. Thank you for listening to my tirade on poop!

I hope people are taking the time to read the press and keep themselves informed on what is happening in your neighborhood. It would be delightful if more people were willing to volunteer their time to help out. There always seems to be the same few people doing the most work. I am not sure everyone realizes that because of the few people who volunteer their time your HOA fees are nominal compared to other developments in the area. If we do not get the help we need, we will have to be run by a management company which I assure you will have your HOA fees go through the roof. I for one, cannot afford an increase in my dues and I know there are many others in the same boat. So, if you are physically able and have the time, please try to help out where you can.

Ok, even I am tired of hearing myself preach! I am hoping for a wonderful summer and meeting new residents. As always, I am so grateful to the community board, condo boards, and others that help make this a wonderful place to live.

*Wishing you peace and good health,
Tracy Barnard
Community Association President*

What a pleasure to have summer here! We are able to enjoy later evenings with outdoor walks and of course the warm weather. It is refreshing to see all the flowers in bloom and to hear the birds, even that pesky woodpecker at 5:30 AM with his wake-up call for the neighborhood! We will hope that our summer is a fun and not too beastly hot one.

Thank you Condo One residents that are complying with putting their bulk items out for pick up on Monday of the last full week of the month. We will start imposing our Amendment 14 fine process if this is not adhered to.

Men's Club

By the time you read this it will be officially Summer. Considering the weather difficulties we have experienced I am very much looking forward to it. Our June meeting will be on June 12 and we will do our quarterly clean-up on June 18. Our July meeting will be on the 10th. We are always looking for new members and do hope that some of you will join us for our meetings and lunch afterward.

Due to the weather we had to cancel our May 31 and June 7 Happy Hours. We will, therefore, honor the coupons listed in the June issue of the press. Just clip a coupon and bring it to the next happy hour. While the June happy hours were supposed to be a measuring stick for people's interest, we cannot make a fair decision based on what has happened so far. **The coupons will not be honored for the 4th of July Celebration.**

I would like to thank all of those who came out for the Memorial Day picnic. It was cold and overcast but we had a wonderful turnout. I would like to thank the Men's and Women's Club members who worked so hard on getting the event to go off as well as it did. I also want to thank George for his excellent music and for donating his services. A thank you to Janice Conte for joining us for the picnic. It's always good to have an impartial review. Lastly, I want to extend my personal gratitude to Ed Liberge for his tireless effort over many years cooking for special events, making lunch for the men's club and cooking for the Happy Hours and the Special Event Picnics. Ed's efforts will be sorely missed. You cannot simply replace a guy like Ed. We are a volunteer-based community and Ed is the ultimate Volunteer. We will do our very best to try and live up to his example. Ed was awarded a plaque from Station 15 of the Beach Haven Fire Company for his efforts as a volunteer fireman for many decades and for his many years of cooking.

In closing, we hope to see many of you at the Happy Hours and at the special 4th of July Picnic. We will have some surprises. We also hope that you will enjoy the many other activities and our beautiful pool.

50th Anniversary Celebration

****We've only had 2 responses last month for people interested in having a celebration for our 50th. If you're interested in having a celebration, please respond and tell us what would be your preference. With so few responses, we're wondering if no one wants to mark this time frame and we shouldn't continue. Let us know! *****

With some research, we believe the 50th anniversary of Fawn Lakes incorporating is in November. We're hoping to throw a celebration in the beginning of that month before we get into Thanksgiving and the Holiday season. What would you like to have? Would you prefer a catered dinner party? Do you want a social hour or music and dancing? Would you like just cocktails and appetizers? What price range are you willing to pay? Please let the activities people (Mary Carroll-Dickon and Debbie Paton) know your ideas and preferences. Phone # in the FL Press listing).

Once we know what the Community is most interested in, we will ask for volunteers to serve on the celebrating committee. Volunteering for a single event is a great way to start getting involved and meet some new people.

Long time residents, can you check out your photo albums and memory boxes for anything related to past years. We can scan your photos, etc and return them unharmed. Do you have the old shirts with our logo? We'd love to see one and maybe get some retro anniversary ones printed for the celebration.

November will be here before we know it so let us hear from you!!

Nomination Letter

Dear Residents,

My name is Tracy Barnard and I am currently serving as your Community Association President, a role I humbly stepped into following the passing of Dave Roberts in November 2024. While this position is a new chapter for me, it is built on years of experience and service to our community as Vice President and in other key roles.

As Vice President, I was entrusted with responsibilities that had a meaningful impact, including securing a roofing contractor for the clubhouse and adjoining buildings, and finding a new insurance provider that saved our community \$7,000. During the Pandemic, I personally came up with the idea of cooking homemade Thanksgiving meals and delivering them to our residents, which evolved into monthly takeout dinners that brought in an average profit of \$200 a month for the community. I also maintained monthly financial reports and made it a point to provide transparent, oral updates at our community meetings.

In addition to serving as Vice President, I was also the appointed Secretary for Condo 1. In that role, I revamped essential forms for meetings, real estate transactions, and closing statements. I instituted an email listing of condo 1 residents that was instrumental in contacting members of happenings going on in their community. I contributed to the by-laws committee, helped draft amendments and

resolutions, and recorded the monthly minutes for both condo 1 meetings and trustee board meetings.

Currently, I'm actively involved in various community activities. I'm a member of the Women's Club, I run the monthly Book Club, and I hold the license as our Certified Pool Operator, overseeing both the operations and staff at the pool.

As your President, I've worked to implement important changes to ensure that we are legally compliant with New Jersey law and Homeowners Association requirements. Change can be difficult, but I believe gradual progress can lead to long-term improvement. One of my top goals is to encourage more resident involvement and create an environment where everyone feels welcome and valued.

I truly believe that Fawn Lakes is more than just a place to live—it's a family. Like any family, we may sometimes disagree, but at the core, we care for one another and share a common goal: to make this a community where everyone feels proud to belong.

I am asking for your vote to continue serving as your Community Association President. Thank you for your support and for the opportunity to serve.

*Warm regards,
Tracy Barnard*

Fawn Lakes Community Volunteers

I attended the 2025 Fawn Lakes Memorial Day Picnic and wanted to share my experience. As you can see from the photos in this month's edition, a wonderful time was had by all who attended. First of all, TAPS, this country's most revered bugle call, was played to start the celebration. Shout out to volunteers from the Men's Club, President, Bob Sylvia, Walt Fieger, Chris Gurial, Ken Bayne and Jack Spear who were responsible for the set-up and clean-up and Tom Mathis, Jeff Paton, Tom Baudistel and Ed Liberge who grilled hot dogs, hamburgers and sausage and peppers. I had the sausage and pepper sandwich and it was delicious! Everyone else brought their favorite recipe to share with their friends and neighbors. Shout out to the volunteers from the Women's Club, Sandie Levine, Deborah Paton, Sue Fieger and the others who also set-up and cleaned-up. Lastly, thank you to DJ, George Martin who provided music for all to enjoy and crafter, Marianne Baudistel for the festive table decorations. The Fawn Lakes volunteers who all worked together for this year's Memorial Day Picnic are also responsible for the many other events sponsored by the Fawn Lakes Community.

Plant Facts

I was talking to Sue Fieger and she told me about Hallock's U-Pick Farm & Greenhouses in New Egypt. They have beautiful plants and various dates to pick your own fruits and vegetables. I was thinking this might be an activity to go pick our own strawberries in May next year and then go to a wonderful restaurant that Sue knows in the area. In the meantime, they have provided information on plants that attract birds and insects that I thought gardeners might be interested in.

FAWN LAKES CODE OF CONDUCT

We ask all residents of Fawn Lakes to make our community a welcoming and respectful place to live. As such, we expect our residents and their guests to treat other with respect and to abide by the rules in our Code of Conduct at all times.

If a resident experiences or witnesses unacceptable behavior, it should be brought to the attention of a Fawn Lake's officer or Director responsible for handling that issue. If any unacceptable behavior occurs in the pool area or at an event in the clubhouse, it should be reported to the person in charge. Residents are totally responsible for the behavior of their guests.

PROHIBITED ACTIONS:

1. Verbal abuse including insults, derogatory name calling and foul language
2. Aggressive or threatening behavior
3. Hostile touching or physical contact
4. Sexual harassment
5. Defacing, damaging or destroying any condo property or the property of other residents
6. Non-compliance with rules posted in the pool area, clubhouse and common grounds

If a resident is asked to stop displaying inappropriate behavior, immediate compliance will be expected.

CONSEQUENCES:

1. 911 will be called if behavior is deemed to be dangerous to others or to the person exhibiting the dangerous behavior or refusal to leave the area at the time an event is finished.
2. Written warning will be given to the offender by the Board of Directors, for the **first** offense.
3. A **second** offense within a **six-month** period of time will result in a **three-month** loss of privileges to the clubhouse pool, or area where the offense has occurred. A meeting with the community board will be required before privileges are restored.
4. No refunds will be given if a resident or their guest is removed from an event due to non-compliance with Code of Conduct Rules.

Fawn Lakes is a volunteer community where residents give hours of time to maintain services, lower costs, and to provide a safe environment for fellow residents. Please help us continue this tradition.
